The screenshot shows the title "Civil Service Exam - Full Practice Test #1" and introductory text: "The following is a full length Civil Service Practice Test. The total time limit to complete this test is 3.5 hours. We highly recommend that you set aside 4 hours and take this test in one sitting to feel what it will really be like. As in the real test, you will only be able to take breaks in between sections. You can go back to questions within the same section, but you will no longer be able to view questions from a section you have already completed." Below this, it says "Upon completing the exam make sure to go over it again in step-by-step mode and read the explanations. This is crucial to your preparation as it will help you learn from your mistakes, reinforce your strengths, and open your eyes to different solving tips and shortcuts." There are two buttons: "Practice Step by Step" and "Timed Test". Below each button is a "what's this?" tooltip. The "Practice Step by Step" tooltip says: "This is a non-timed practice mode. Explanations are visible for each question. This mode still generates a score report." The "Timed Test" tooltip says: "This is a timed test. A view of score report and explanations is available only after submitting the test."
