- ✓ The final exam will be all multiple-choice. Come prepared with a pencil.
- ✓ Do not bring electronic devices to the exam (other than a calculator). This includes cell phones and mp3 players. If I see them, I will take them.
- ✓ There will be no rest room passes until you are done with the test!
- ✓ I will provide a formula sheet (identical to one attached to this study guide) and a limited periodic table.
- ✓ This study guide will be on the credit toward your final exam grade.
- ✓ BRING A PENCIL AND A CALCULATOR! Don't come to my final without these.
- ✓ The Chemistry Final Exam will count for 15% of your final semester grade. The exam will cover material from second semester. Some questions will require you to know material from first semester. Complete this review sheet on a separate sheet of paper. This review sheet covers all of the questions you will answer on the final exam, but be prepared to apply the knowledge on this study guide to other questions.
